Cerf Entertains Packed Assembly; Receives "Gifts"

"Americans are enjoying a new type of humor which leaves them feeling all good and smiling inside," revealed Mr. Bennett Cerf, as he appeared before a packed, standing room only, assembly last Friday.

Preceding Mr. Cerf's talk, he was presented a roadmap of the state, a map of the city of Maryville with the College marked in red, some literature of the city, a Bearcat emblem sweater, a College catalog, a schedule of classes and an application for admission to the College, a copy of Miss Mattie Dykes' "Behind the Birches," and an "Order of the Bearcat," by the retiring student body president, Art Buckingham.

This presentation was in answer to a statement which Mr. Cerf had made in Kansas City to the effect that he "did not know just where around here Tarkio and Maryville were!" The "Order" read that "Bennett Cerf had accomplished the difficult task of finding the hidden campus of Northwest Missouri State College."

"Humor is needed more today than ever before," stated Mr. Cerf. In this world of chaos and trouble everyone must laugh to curve anger. The burden of world turmoil is released through laughter.

Mr. Cerf, a graduate of Columbia School of Journalism, noted that Americans no longer prefer the insulting humor which made Bob Hope, Jack Benny, and Bing Crosby popular, but are changing to a friendlier, quieter type of humor. This is evidenced by the type of humor found in the new plays on Broadway, newly published stories and novels.

"Quiz shows are definitely on the level," maintained Mr. Cerf, a regular panelist on "What's My Line." He mentioned that a television personality is known not only at sight but also by his idiosyncrasies and peculiarities.

After his talk, Mr. Cerf was honored at a luncheon, held in the Student Union Lake View Room, sponsored by the assembly committee.

HE'S A BEARCAT NOW . . . Shown above is Bennett Cerf receiving the "Order of the Bearcat" from President J. W. Jones and Art Buckingham, president of the student body. Mr. Cerf is the first to receive such an honor.

College Provides Free Polio Shots

Over the past few weeks the College has taken direct action in the program for the giving of free polio vaccine shots to all students under the age of twenty. It is hoped that the series will begin in time so that every student will have the opportunity to receive the first two shots before the end of the present semester, and that the third shot will be given upon the students' return in the fall.

To date the shots will be given at a time set through the cooperation of Nodaway County doctors and nurses at a central location. Every person under 20 and pregnant women can have the shots at no cost through the present program.

Additional information will be given to the students through the school paper, the bulletin board, or faculty members.

Visiting Parents To Have Busy Day Beginning at 6:30

Art Buckingham, president of the student body, will open the College assembly for parents visiting on the campus tomorrow, Thursday, April 18. The day promises to be a full one for the visiting parents with an Easter Sunrise Service starting at 6:30 a.m. at the College Lake and ending with a tea to be held in the Student Union from 2-4 p.m.

At the assembly to be held at 10 a.m. Mr. Buckingham will welcome the students' parents, and Dr. J. W. Jones, president of the College, will extend his greetings.

The College Chorus, under the direction of Mr. Gilbert Whitney, will present "By Thee With Bliss" from Haydn's "Creation," with Charles Hagee singing the part of Adam and Marilyn Maxwell taking the part of Eve. Mr. Hagee and Joan Setzer will also give their contest winning orations.

The Dance Club, under the direction of Mrs. Pat Maher, will present their interpretations of "Trumpeter's Lullaby," "Quiet Village," and "Left Arm of Buddha." Band Will Play

Closing the assembly will be the College Symphonic Band, under the baton of Mr. Earle Moss, presenting "Commando March" and the selection written by Mr. Moss, "South American Suite."

At 1:00 p.m. a special music recital will be given in the band room for the parents.

College Signs Pastor For 'Big Name' Formal

Tony Pastor and his celebrated orchestra have been contracted by the Social Committee to play for the all school spring dance Friday, May 3. The dance will be held at the Men's Gym from 9 p.m. to 1 a.m. Tickets may be purchased for \$3 per couple.

Senate Elections Show Complacency

Six new Student Senators were elected last week to serve next year as representatives from their respective classes. The election itself was carried out in a quiet manner with little campaigning on the part of the candidates.

Only 400 votes were cast in the election, and with more than 1500 students on the campus, it is evident that over 1000 shirked their duties as members of the Student Government Association.

The following students were selected as senators: Larry Brown, Tau Kappa Epsilon, and Nancy Young, Sigma Sigma Sigma, Freshman Class; Harlan Higginbotham, Phi Sigma Epsilon, and Bill Morse, Tau Kappa Epsilon, Sophomore Class; Wayne Jackson, Sigma Tau Gamma, and R. D. Burns, Phi Sigma Epsilon, Junior Class.

Mr. George A. Benz, who served as faculty election supervisor for the election, had this to say concerning the election, "When only 400 students out of a campus of 1500 vote in an important election like this one, I would say that something definitely was lacking. The election was so close that three or four votes in either way on any of the ballots would have changed the entire outlook of the election."

The Student Senate election committee declined to comment on the exact number of votes that each candidate received and would only divulge just who won in each class and the total number of votes.

Workshop Theme Covers Community Development

The Community Development Workshop, which is "aimed at creating a better business climate in Missouri communities," will meet at Horace Mann Auditorium Tuesday, April 23.

Dr. Leon Miller, chairman, Division of Education, is moderator for the panel, "Cultural and Educational Facilities." President Jones is to present the opening address for the workshop.

The meeting is sponsored jointly by the Northwest Missouri State College and the Missouri Division of Resources and Development together with the cooperation of the Missouri State Chamber of Commerce and the Maryville Chamber of Commerce.

Iowa Alumni Chapter Meets in Creston, Iowa

Thirty members of the Southwest Iowa Alumni Chapter of Northwest Missouri State College met last week at the Hotel Iowan in Creston. Everett W. Brown, director of Field Service at the College, attended the meeting. Rose Derry, class of '51 was elected president, Vance Gelger, class of '30, vice president, and Mrs. Margie Foley, class of '41, was elected secretary-treasurer. Miss Derry and Mrs. Foley teach in Creston and Mr. Gelger teaches in Mt. Ayr.

STUDIES COLLEGE PROBLEMS
R. P. Foster, registrar, went to Cedar Falls, Ia., recently to attend a research meeting concerning administration problems. Fourteen colleges in the Midwest were represented at the meeting.

Pastor has long been a familiar item on the musical scene. The versatile New Englander, who was born in Middletown, Connecticut, came into prominence with the great Artie Shaw Orchestra. Tony first started singing with the Vincent Lopez band, but it was with Artie Shaw that he got his real chance to jump into the spotlight.

Pastor's first big record, made with the Shaw band, was "Indian Love Call," which sold over a million copies. On the flip side was a tune called "Begin the Beguine" with a different type of an arrangement. Everyone knows today what a great hit that record was and how the song has become one of the all time favorites.

Pastor has traveled some two million miles and has become en-

NOTICE

Tony and his band will present a "pop" concert in the main auditorium at 4 p. m. on Friday, May 3, for the students and faculty members. Tickets will go on sale during the week preceding the concert and may be secured by presenting activity cards and 25c. Admission to the afternoon concert will be by ticket only.

the people want to dance to. Tony has been strict in his adherence to the public's dancing demands. He gives the dancers just what they want, be it a waltz or two-beat. Tony's band plays everything and anything, and it's an entertaining aggregation as well.

Pastor's vocal and musical talents have also played a great part in his success. His unique voice quality and his talents as a saxophonist need no enlarging.

Miss Bowman Is Honored By Publication Abroad

Miss Estella Bowman of the English department recently received credit in a Polish publication for research work she did for a periodical. Sent to Poland were an article from the Forum Magazine of 1892 and an excerpt from Ethel Barrymore's Autobiography.

The articles were reprinted in the Polish language and later a copy of the publication was sent to Miss Bowman from Warsaw.

Miss Bowman was assisted in her work by Mr. James Johnson, College librarian.

PATRICIA O'BRIEN

Patricia Louise O'Brien, of Imogene, Ia., died Saturday of Bright's disease in a Council Bluffs hospital.

She was a senior here, working toward a degree in elementary education.

She had attended the Farragut High School.

The Stroller . . .

The Stroller thought the Queen looked quite "queenly" as she reigned over the Phi Sig Frolics last week.

Speaking of reigns (rains), folks in this area are certainly realizing a "damp" month. One wonders from day to day if this is really spring. The frequent appearance of snow gives the campus a wintry look. Maybe "sprinter" would be a good word for this snowy April.

Bennett Cerf successfully entertained his student audience. Mr. Cerf is a television favorite of many of the students, including the Stroller. Mr. Cerf's wit makes one reel at ease and causes one to catch the carefree air of the speaker.

The Stroller is planning to attend the early sunrise services which are being held along the shore of the Sweetheart Lake tomorrow morning. The Stroller will be looking forward to seeing his classmates there. Drag your roommate out and take him with you. No fair slipping in a nap before your 8 a. m. class either.

Roll Call for Parents . . .

Will your parents be here for the 6:30 a. m. Easter Sunrise Service tomorrow? Parents who attend the Sunrise Service may be allowed to sleep in class, but the late comers must pay attention, with the rest of the students.

Parents of freshmen, especially, eagerly await this day because for some it is the first opportunity "to go to College." For others it is a rare chance to return to classes without the stigma of taking notes.

Students have been busy preparing exhibits to give the visitors a picture of their class and organizational activities. The Parents' Day committee, headed by Dr. F. W. Grube, has done a splendid job of setting up the program for tomorrow. To the students, the highlight of the day will be dismissal for Easter vacation.

-Lura Stafford Hanson.

Eternity Next Floor . . .

Easter, says Encyclopaedia Britannica, is "the most joyous of the Christian festivals, observed annually throughout Christendom in commemoration of the resurrection of Jesus Christ, on the first Sunday after the first full moon following the vernal equinox."

Many of the customs and traditions now associated with Easter have come down to us from antiquity. Since the last days of Christ's life on earth occurred at the time of the Passover fast of the Jews and his death upon the day of the feast of the Passover, the early Christians naturally associated the sacrifice of the true Lamb of God and the joyful promise of his resurrection with the traditional Passover observances. Thus, many of our modern Christian customs have come to us from the Jews.

The custom of eating eggs on Easter probably arose because, in the earlier days of the church, eggs were forbidden food during Lent and were always eaten on Easter Sunday. The egg has also come to mean to Christians a symbol of fertility and of renewed life.

The Easter rabbit, too, has come to be a symbol of fertility and the renewal of life. This custom came from the legends of ancient Egypt.

Even the modern custom of wearing a new costume on Easter may go back to the belief that it was unlucky not to wear some new article of clothing on Easter.

The tradition of the Easter lily is of American origin. Not until the Civil War did the Protestant churches in the United States begin to have special services for Easter. The clergy preached special sermons on Easter to bring consolation to those who had lost loved ones in the war. The Churches were decorated with flowers, especially the Bermuda lily. Thus the Bermuda lily became known as the Easter lily.

Albert P. Morehouse served as governor of Missouri in 1888, and he has the distinction of being the only governor from Nodaway county. His family has donated the gown worn by his wife to the inaugural ball and several other costumes and articles.

Alumni News

Miss Virginia Robinson, a graduate of the College and now associate librarian at the Mississippi State College for Women at Columbus, recently had a one-woman show of her paintings at the Allison Art Colony in Mississippi.

A member of Kappa Pi, honorary art fraternity of which there is a local chapter, Miss Robinson started painting independently during a summer vacation at Monterey, California. Of her California paintings, the most prominent are the ones of the Pacific Ocean.

The Allison Colony exhibition included selections from the artist's famous collection of old mills along with bridges, landscapes, seascapes, and trees from Maine to California. Miss Robinson has exhibited a number of times in Maryville at the art shows in the College Library under the auspices of the local AAUW.

Mrs. Maria F. Daranyi de Kecskemethy-Vass, a former student at the College from Lima, Peru, is starting, with her husband, on a three months' tour by air of Europe. They will visit Lisbon, Portugal; Madrid, Spain; Rome, Italy; and points in Switzerland, Austria, France, Belgium, Holland, and England. They will visit with relatives in Austria. Both her family and his came originally from Hungary.

He has taken a position with the Edsel Division of the Ford Motor Company at the Claycomo plant, as a member of the Management Development program. This division will produce and distribute the new car in the Ford family, the Edsel, scheduled for the late summer market.

Richard received his discharge in January from the navy with the rank of Lieutenant (j.g.) He had been in the service for three and one-half years, and while in Hawaii was in charge of the accounting office of a Marine base on Oahu.

Mrs. Brassfield did work for the air force while her husband was in Korea.

Mr. and Mrs. Orval Adams, 1927 graduates, are now living in Gallup, New Mexico. Mr. Adams is Director of Elementary Education in the Gallup public schools. He recently played a role in "Arsenic and Old Lace," a play presented by the faculty of the Gallup public schools. This was the fourth annual production by the faculty.

The purpose of these plays is to maintain a scholarship fund to assist some of the graduates of Gallup High School in going on to college. For the past three years the income had been adequate to provide three graduating seniors with \$600 scholarships.

Mrs. Adams is the former Miss Gertrude Garrett.

The Alpha spring formal dance is on the College calendar for Saturday, April 27. The dance chairman is Ferral Foster and under her direction will work Shirley Molsinger, chairman of entertainment; Jo Goeders, chairman of decorations; Bernice James, chairman of refreshments; and Margie O'Connor, chairman of clean-up.

The Mother's Day tea has been changed to a picnic to entertain not only the mothers but also the fathers of the Alpha Sigs. The picnic will be held at College Park, May 12, if the weather allows. Barbara Sharp is in charge of selecting a substitute area if the weather is unpleasant.

Tau Kappa Epsilon Plans For Formal in Early May

Plans were presented for the TEKE spring formal to be held May 10, in the College Armory during a formal meeting of Tau Kappa Epsilon Tuesday, April 9, in the upper Lakeview Room.

Fraternal Myers gave reports as to the progress to date for the formal. Favors and other decorations were discussed and decided upon, and the information was sent to Playboy for action on all plans to date.

A report was given concerning the progress of the housing committee by Fraternal Watters. The context of the report was that the plans as they now stand will be for the building of a house at the earliest possible moment. It was also brought before the chapter that if these plans fall through there were many possibilities for buying a home in the city.

Thinclads Face K.C.U. In Track Meet Today

Milner's 'Cats Hopeful of Win; Strength Rests in Field Events

With several meets under their belts, the Bearcat thinclads will clash with Kansas City University's track squad at 3:00 this afternoon on the College's oval.

Several of Coach Milner's men turned in good performances in recent meets and should cut the tape for points against KCU this afternoon.

In the 100 yard dash, lettermen John Watson and Roger Wake have turned in some top performances. Watson also runs the 220 yard dash.

At a recent meet Ralph Pierce turned in a 52.9 clocking in the 440 yard dash for a first place. Lou Linville has also picked up points in this event. A weak point in Coach Milner's squad is the half mile run. Placings in this event have been few and far between.

One man has been carrying the load in the mile and two mile runs for the 'Cats. Wesley Norton has picked up several points in both events.

Relays seem to plague Milner's men; however, the tracksters are seeking a winning combination for the 880 yard relay and mile relay.

Vic Cromer, who was high man at the Tarkio meet with 11 points,

has placed in both the 120 yard high hurdles and 220 yard low hurdles. Hubert Sharp also gathered in markers in the highs.

Field Events Are Strong

Field events have been the main stay in the Bearcat attack thus far. In a recent meet they captured 4 first places out of the 6 field events.

Roger Wake has leaped over 22 feet this year in the broad jump and "Pete" Carrizales has placed. John Schulze has been heaving the shot and discus about 43 feet and 120 feet respectively for points in these events. Grant Hilburn is backing up Schulze in the shot.

Denzil Caldwell, who set the MIAA high jump record last year with a 6' 5" 3/8" jump, is off and jumping this year. He has placed first in every meet in this event. Hubert Sharp, returning from the service and a letterman, is giving Caldwell plenty of competition and has placed in the event himself.

Bill Croy, who placed in the Tarkio meet, is slated to go above the 11' foot mark in the pole vault. Cromer and Marvin Black have been taking places in the javelin throw.

RUNNERS, TO YOUR MARK! . . . Seen above are fourteen members of the 1957 Bearcat squad who will do battle with K.C.U. this afternoon. Back row, left to right, are Gerald Golden, Carrizales, Wesley Norton, Floyd Worley, and Bruce Wake. Middle row, left to right, Roger Wake, Jackson, John Schulze, Grant Hilburn, and Coach Ryland Milner. Front row, left to right, Ralph Pierce, Lewis Linville, Floyd Davis, Larry Butler, and Vic Cromer.

Grube Announces Tennis Ranking; Adair Heads List

With a tough schedule ahead, the Bearcat tennis team plunges headlong into their meets with experience and depth.

The team ranking to date is as follows: Charles Adair, 1; Dick Phillips, 2; Larry Rowley, 3; Bob Alcorn, 4; Warren Landess, 5; J. C. Wood, 6; Herb Laake, 7; Don Pierpoint, 8, and Jamie Tankersley, 9.

Charles Adair is a three-year letterman and has been the number one man on the College team for four years. Adair has had considerable tournament experience and last summer placed high in the Saint Joseph tennis tournaments in both singles and doubles. Charles was the third ranked in the MIAA Conference standings last year and should move up to the top this season.

Phillips Is Back

Number two man, Dick Phillips, is back after a year of absence.

Two years ago Dick was number three man, and his freshman year he was top man on the Colorado A and M tennis team.

Larry Rowley, who holds down the number three spot, has not played tennis for a long length of time, but his fine co-ordination and quick reflexes more than accommodate his lack of court knowledge. Larry is a previous letter winner.

Alcorn Joined Last Year

Bob Alcorn turned to tennis only last year and has progressed to become number four man. Alcorn, who was MIAA basketball scoring champion, won the fall intramural tennis tournament.

Warren Landess has come along

exceedingly fast this year threatens to move right on to the top. Right now he holds the fifth spot on the team.

Dr. Frank W. Grube, coach, that the back bone of the team be formed in the doubles.

"With Adair and Phillips, have a lot of doubles experience and Rowley and Alcorn, who have the height on the nets, the doubles should pull us through when singles fail," remarked Dr. Grube.

Math Club is preparing two projects for their exhibit on Parents' Day according to Dr. W. A. Lafferty.

Random Shots . . .

By RICHARD FLEMING

First of all, I would like to make a correction in an item I had in last week's column in which I stated that 22 men were initiated into the M-Club. Actually eighteen men were taken in. They were, for basketball letters, Merle Sorensen, Leland Jackson, Marland Ray, Jim Sharp, L. D. Young, Ron Partridge, and Chuck Goff; for football, Fred Fuhr, George Lockridge, Buck Skaggs, Philip Maher, Jack Taylor, John Arenas, and Pete Carrizales; for baseball, Jack Little; for track, Robert James, and Bruce Wake; and for golf, Larry Seymour.

The intramural softball program got under way last Wednesday with the TEKE'S losing twice 13-0 and 7-0.

The baseball squad which at the time of this writing was still trying to get a game played, has games coming up this weekend with Nebraska Wesleyan on Friday the 19th and Omaha U. on Saturday, the 20th. Next Tuesday, the 23rd, they play William Jewell. There will be no games with Kansas City University since they have cancelled their whole schedule.

The intramural golf will be played off a little differently this year. On a certain Saturday, which will be named at a later date, four men from each organization will meet at the local links. Winners will be determined by the four men's low score.

'Cats Baseball Squad Faces Heavy Schedule

Coach Neal Tremble's baseball squad, after several weeks of idleness, is faced with a heavy schedule during the next few weeks. The Bearcats are scheduled to travel to Nebraska Wesleyan this coming Friday for a 3:00 p. m. contest and then journey over to Omaha to meet the Indians of O. U. Saturday.

The real work, however, will begin next week as three games are on tap for the Bearcats. On Tuesday the men of the College again depart from their home grounds to do battle with William Jewell at Liberty. The 'Cats will then return home to begin a four game home stand, the first game being played

against Kansas City University the following Thursday. William Jewell will follow K. C. U. to Maryville to meet the home team in a 1:00 p. m. contest on Saturday, April 27.

The Warrensburg Mules will wind-up the home stand May 3 as they invade Maryville for a double-header starting at 1:00 p. m.

It's a puzzlement:
